

THE FRENCH SCHOOL

Dear Families,

In an effort to support consistency in the French School, we have decided to purchase all consumable supplies for our students. This assures that each child has the appropriate materials and that the materials all fit with the routines and procedures that we implement.

We have discovered a lot about home/school communication this year and are implementing a school-wide system that ensures a reliable exchange of information. The easiest way to make this system work is for all students to have identical materials.

This year we are asking that each family contribute \$22.00 towards the purchase of these supplies. Our hope is that this makes your life easier and helps us start the school year in the right direction. All you have to do is supply a plain, small backpack, a a water bottle, and a lunch bag/box if needed.

Below is a sample list of the supplies that will be purchased for each student. If you are able to contribute more than the \$22.00 needed for these supplies, your donation will be greatly appreciated and will support other students. We will collect supply money during Family Intake Conferences on August 11th.

- 12 Crayola Markers
- Pencil Pouch
- 12 Pencils
